

# DIGITAL EXHIBITIONS

## Monday, August 30<sup>th</sup>

**16:00h CEST** - **Introduction to the Course.** *We will do a brief introduction of the team members and the participants. The professors will give a short presentation about their tracks. This is where participants should take the final decision about what track they would like to take. **After this first day you cannot change your track. It will be unproductive for your learning experience.** We really encourage participants to take advantage of this first presentation and make questions to the professors if you are not sure what track you would like to be part of.*

**17:00h CEST** - **Track sessions.** *Each participant goes to their track.*

**20:00h CEST** - **Wrap up session.**

## Tuesday, August 31<sup>st</sup>

**16:00h CEST** - **Alumni talk.** *This is a networking session between professors, alumni from DAHSS and this year participants.*

Speaker: **Dominik Bönisch**

**17:00h CEST** - **Track sessions.**

**20:00h CEST** - **Wrap up session.**
